

“Come Back, Come Back”

**Our Lord used the words in his book to softly speak to me,
And then the blessed Holy Spirit gently turned the key,
That opened again my heart that had become so hard and cold.
I had let the world choke out his love and wandered from the fold,
But I was like the lost sheep and the shepherd could find no rest,
Until He had found me, so He could provide for me his best.**

“Knock and it shall be opened, seek and you will find,”

My blessed Savior was there, waiting for me all the time.

**So don't ask Him to keep waiting as you wander year after year,
He wants to walk with you now and help while you are here.**

**Heaven will be a wonderful place and I can hardly wait,
So don't delay, come back to Him now, don't gamble with your fate.**

**Jesus is calling, can you hear his call, if so, return to Him now,
He's preparing a place for you and He has never broken a vow.**

**Come back, come back, God is calling you today,
Return, return, He sent his Son to prepare the way.**

**Come back, come back, God is calling you today,
Return, return, come back into the fold without delay.**
