

“I Did Not Die”

**He came for me and in His arms we did fly,
So I'm only gone, I did not die.
No more pain, no more tears, no good-bye,
For in His home, we do not cry.
Please don't weep, but put on a smile,
We can all be together in a little while.
I loved Jesus while I was here,
All of you and Jesus, I counted so dear.
So trust Jesus as your Savior while you may,
And prepare for the journey I took today.
And make your life count and to others be,
A blessing from God, do it for me.
So share Jesus' love with all our kin,
Then there in Heaven we can gather again.
Together forever, we'll all hold hands,
With Jesus in our midst, so make your plans,
To be with us there and then we all will say,
“I'm glad I accepted Jesus, there's no other way.”
So I leave you today and say, “So long.”
But remember, I did not die, I'm only gone.**
