

Get Ready

**I was getting old and had a story to tell,
How a Savior came and saved my soul from Hell.
Nobody wanted to listen, they just went their way,
Like my Jesus wasn't coming just any day.
He's coming He's coming , like a thief in the night,
So you better get ready and start living right.
Don't be living like judgment ain't coming,
Every idle word we've said, every deed we've done,
We'll stand before Him on that great judgment day,
So listen, please listen, Let me show you the way.
Jesus died on a cross for all who will believe,
Then He arose from the dead, just pray and receive,
The forgiveness for sin and let Him give you new life,
Let Him carry all your troubles and free you from strife.
Praise God, praise God, for all He has done,
Call on Him now while you're still young.
Love Him, love Him and tell Him each day,
He's waiting to hear, so open your heart and pray.
