

Mining For Wisdom

**When we need direction for our life, where do we go,
Do we look for answers to guide us from sources here below?
Or do we take the time to mine for wisdom in the word of God,
It sometimes takes hard work to till and turn the sod.**

**But lying beneath we will find God's blessed will,
And we then can find the gold and silver that only the Spirit
can reveal.**

**So if it's for wisdom from God you desire to look and seek,
Know his word and determine his laws to keep.**
