

Wedding Thoughts

*Today is the beginning of a brand new life,
So let God bless you as you become man and wife.
Let God sweep away all things that are past,
And upon Him may all your troubles be cast.
He is the answer for peace and love in your home,
As we seek Him, seeds of happiness will be sown,
In the lives of your children and all those around,
So in moments of conflict always let love abound.
It will take work and a strong commitment to Him,
When problems arise and the budget seems slim,
But if you read His word and pray together,
Good habits sown will reap a sweet character.
Words that are said in haste can never be taken back,
Prayer and reading his Word will ward off Satan's attack.
So depend only on Him and your every need will be met,
And you can live life to its fullness with no regret.
Today feel Jesus' love as His gifts we share,
As He meets your needs through those who care.
May your cup of blessings be filled to the brim,
And never forget to give all the glory to Him.
