

“Winds of Life”

**The winds of life sometime whip and blow,
Leaving us without shelter and seemingly nowhere to go.**

**But those who know our Lord have only to call,
And He’s there to pick us up when we stumble and fall.
His hand so tender comforts and heals the bruises of life,
And we stand in awe at His power and awesome might.**

**We love Him so much for first loving us,
His thoughts were for us there on that cross.**

**He suffered so much to free us from sin,
And we have only to ask and He will live within.**

**Cleansing our hearts and filling them with love,
Forgiveness and caring come from our Lord above.**

**We become new as if we had never done wrong,
And within our hearts He plants a new song.**

**A song that cannot be silenced or taken away,
And singing His song will brighten our darkest day.
So, if this new song is waiting to be sung by your heart,
Just ask Him to come in and occupy the inmost part.**

**And start a new life that’s fully surrendered to Him,
And His word will light your path and never grow dim.**
